Mechanical Parameters	

Technical drawing of a mechanical part, showing a side view and a cross-section A-A.

Side View Dimensions:

- Overall width: 100
- Overall height: 50
- Top flange width: 20
- Top flange height: 10
- Bottom flange width: 20
- Bottom flange height: 10
- Central cutout width: 60
- Central cutout height: 30

Cross-section A-A Dimensions:

- Overall width: 100
- Overall height: 50
- Top flange width: 20
- Top flange height: 10
- Bottom flange width: 20
- Bottom flange height: 10
- Central cutout width: 60
- Central cutout height: 30

Section Lines:

- Section A-A is indicated by a line with arrows pointing to the top flange.
- Section B-B is indicated by a line with arrows pointing to the bottom flange.

[illegible]
